

*Seahorse Key Marine Laboratory*

**Liability Release**

---

I am aware that activities in which I will participate at the Seahorse Key Marine Laboratory (SHKML) entail certain dangers, including but not limited to the hazards associated with inclement weather, outdoor terrain, accidents or illness in remote places without medical facilities, the forces of nature including venomous and disease-bearing animals and toxic plants, and travel by vehicle, boats or canoes. In consideration of, and as part payment for access to the SHKML and its facilities, the undersigned for his/her spouse, legal representatives, heirs and assigns, hereby releases, waives and discharges the SHKML, University of Florida, its officers, members, agents, employees and directors and each of them from all liability for any loss, damage or claim resulting from the undersigned activities on the premises of the SHKML, including boats and adjacent properties where field studies might be conducted, caused by the negligence or otherwise of SHKML or its agents, employees, officers or directors. These terms hereof shall serve as release and assumption of risk for my heirs, executors, administrators, and for all members of my family. I affirm that my general health is good and that I am not under a doctor's care for any condition that will endanger my health or the health of other participants. I agree to accept responsibility for any members of my group under 21 years of age unless a release is signed below by their parent or guardian.
